

Building Committee Minutes
August 7, 2008

Members Present: Joan Whitsell, Gary Ihnen, Tony Haning, Jane Anema, Amanda Buse, Marv Van Riessen, Mindy Albrecht, Amy Strouth, Jenni McCrory, Scott Simonsen, Ann Maggert, and Kecia Hickman

The meeting was called to order at 6:30 p.m. at the East Elementary library. Scott gave an update of where we are on the project and what we have been doing.

Discussed the changes that were made after the last meeting and the cost savings it had. (\$400,000) It was recommended that a second way into the gym would be nice once you are inside the building so people wouldn't have to walk all the way around.

The committee was reminded to look at a sport court for the gym. Not sure of the cost of that.

Discussed the parking lot and the circle drive. Still have not come up with a good solution.

Discussed the press being at the committee meetings. Mrs. McCrory will check on that with Mr. Spears who was unable to be at the meeting.

Discussed the progress of the pamphlet that will go out to all voters. It is ready, but waiting for the details of the funding of the project. It will be sent out once the board sets the voting date.

Looked at the sidewalks around the building. Good to make sure they are all connected for fire safety purposes. It was asked when the fire marshal gets involved.

Meeting was concluded. Next meeting will be set at a later date.
